

Call for Paper Abstracts

"Novel Security Aspects in Wireless and Multimedia Communications" Scientific session

The Plenary Meeting of CTIF-SEE, which will be held in Bucharest, Romania, in 11 October 2017 on the campus of the University POLITEHNICA of Bucharest under the high coordination of Prof. Ramjee Prasad (CTIF-Global), will have two scientific sessions:

- "ICT in Horizon 2020 framework" (Networking and Brainstorming Session) is an internal and closed session dedicated to all CTIF-SEE partners. This session aims at exchanging ideas and views for future projects and collaborations. The session will end with brainstorming discussions; the presentations of the interested partners could be extended and published in a scientific journal.
- "Novel Security Aspects in Wireless and Multimedia Communications" is dedicated to young researchers of CTIF-SEE members and invited collaborators (PhD or Master students or PostDoc researchers). The young participants of this workshop have to be the first authors of their paper in which they will publish their significant scientific results.

For both sessions, each partner or invited participant will propose a paper in her/his areas of interest in the ICT or ICT-connected domains. Also, other topics of interest are accepted.

Paper Submission: Authors should follow the manuscript format of the Springer journal papers. Instructions for authors can be downloaded from:

<http://static.springer.com/sgw/documents/431298/application/zip/sv-journ.zip> (Word template)

<http://static.springer.com/sgw/documents/468198/application/zip/LaTeX.zip> (LaTeX template)

A title, list of authors and an abstract of minimum 10 rows are required for a preliminary evaluation.

Please submit your abstracts and papers via e-mail to [ofratu\[at\]elcom.pub.ro](mailto:ofratu[at]elcom.pub.ro)

The accepted and presented papers of the public session, as well as the presentations of the brainstorming sessions will be extended (to a max 24 pages in the above mentioned format) and will be published in a scientific journal.

Important deadlines:

- Submission of paper abstracts for the young researchers' workshop: 05 September 2017
- Notification of partners' proposal confirmation: 10 September 2017
- Paper proposal presentation: 11 October 2017
- Special Issue proposal & Final call for papers: November 2017
- Final paper submission: December 2017
